# MESSAGE

Welcome to the HKFC World Youth 10s 2026!

On the year that marks the 140th anniversary of the Club, 50th anniversary of the Hong Kong 7s and 40th anniversary of the Hong Kong 10s, we are extremely proud to welcome so many local and overseas teams to our reimagined and expanded HKFC World Youth 10s. This year's event will feature approximately 230 teams from U5s to U18s hailing from all across Hong Kong, Macau, Malaysia, Singapore, Australia and USA - a truly global event.

Clubs in Hong Kong are well-used to traveling the globe and playing in tournaments overseas so it only seems fitting that we host our own event to help kick off Rugby Week in Hong Kong. Overseas visitors this year, and in the future, will be able to make the most of their trip to Hong Kong taking in the Tradition 10s and of course the Cathay/HSBC Hong Kong 7s. We see the HKFC World Youth 10s as a bridge and stepping stone to the Tradition 10s and Cathay/HSBC Hong Kong 7s - building on the legacy that began on this soil in Happy Valley 50 years ago.

The tournament is extremely grateful for our support from the Hong Kong Mini Rugby Football Union, Hong Kong China Rugby, the referees and Hong Kong Football Club. With the expansion in age groups we have had to lean on the help of HKCR to assist with other fields and thank those at HKU Sandy Bay, SCAA, Causeway Bay and Happy Valley for the use of their fields.

HSBC are a true supporter of rugby here in Hong Kong and across the globe. We are extremely proud and honored to have HSBC as the Founding Partner of the HKFC World Youth 10s. Their partnership truly opens up a world of opportunity for the future of rugby here in Hong Kong. Thank you.

Thank you to the HKFC Youth 10s Committee who have dedicated their hearts and personal time to create this opportunity for the future of rugby in Hong Kong.

A big thank you as well to all of the volunteers that have turned up - events can't be done without you.

A final wish of 'good skills' to the players this weekend. We can't wait to see you play here this weekend and in stadiums around the world in the future.

Yours in rugby,  
Kenzo Pannell

The background is a vibrant collage of food and music-related icons. At the top, there's a burger, a chili pepper, a tomato, and a chicken drumstick. On the left, an ice cream cone and a stack of pancakes are visible. On the right, there's a container of fries and a slice of pizza. At the bottom, there are speakers, a lollipop, a fried egg, and more food items. The background is decorated with yellow lightning bolts and a faint grid pattern.
